Project 1: Away Travel — "The Unpacked Journey" Campaign

Executive Summary & Strategy Overview

Objective: Expand Away’s reach beyond core premium luggage by launching "The Unpacked Journey"—a multi-channel seasonal digital marketing campaign designed to capture Gen Z and Millennial leisure travelers during peak vacation periods.

Core Value Proposition: Positioning Away not just as a durable luggage provider, but as an essential travel structure system that enables seamless, stress-free packing through smart internal compression and minimalist design.

Campaign Mantra: "Travel light without leaving anything behind. Away gives you the structure to unpack less and experience more."

Market Intelligence & Target Persona

Brand	Positioning	Core Price (Carry-On)	Primary Channels	Key Advantage
Away	Sleek DTC luxury lifestyle	\$275 – \$345	Instagram, Editorial, TikTok	Lifetime warranty, iconic compression system
Béis	Aesthetic, functional fashion	\$218 – \$238	TikTok (UGC), Instagram, Influencers	Organization-heavy pockets, viral color drops
Monos	Minimalist, eco-conscious luxury	\$255 – \$295	Pinterest, Search (SEO), Instagram	Quiet luxury aesthetic, climate-neutral materials
Samsonite	Traditional mass-market durability	\$120 – \$220	Google Ads, Department Stores	High retail availability, strong legacy trust

Target Persona Profile: "The Intentional Explorer"

- **Demographics:** Alex Chen | Age 28 | Associate Product Manager | \$85k/year | Urban Suburb
- **Psychographics:** Prioritizes aesthetics, functional design, and efficient travel. Prefers short, frequent weekend trips over long annual vacations.
- **Key Pain Points:** Overpacking, bulky luggage, zipper strain, and disorganized packing for combined work/leisure trips.
- **Media Habits:** Active on Instagram Stories/Reels, Pinterest travel boards, Google Search, and travel blogs.

Content & Organic Search Strategy

- **SEO Article 1:** *How to Pack 7 Days in a Carry-On: The Capsule Wardrobe Method* (Target Keyword: how to pack a carry on for a week). Focuses on Away's compression pad system and 5-4-3-2-1 outfit framework.
- **SEO Article 2:** *The Ultimate Weekend Getaway Packing List for Every Season* (Target Keyword: weekend trip packing list). Features a downloadable checklist PDF and product spotlights.
- **Short-Form Video Hook:** "Stop rolling your clothes until you try this compression trick." (Side-by-side demonstration of standard vs. Away internal compression).
- **Pinterest Board:** *Pack With Away* — Color-coordinated outfit grids, luggage matching guides, and destination packing infographics.

Paid Media Campaign (Meta & Google Search)

Channel & Stage	Ad Creative & Visual	Copywriting Strategy
Meta (Top-of-Funnel)	UGC Video: Fast-paced airport security traversal + effortless carry-on zip-up.	Primary: Built for the trip you planned—and the 3 extra outfits you brought anyway. Lifetime warranty. 100-day trial.

Channel & Stage	Ad Creative & Visual	Copywriting Strategy
		Headline: Meet The Bigger Carry-On. (CTA: Shop Now)
Meta (Bottom-of-Funnel)	High-res product carousel showing hardshell durability, whisper-quiet wheels, and compression pad.	Primary: Still thinking about it? Pack it, test it, travel with it for 100 days. If you don't love it, return it. Headline: Free Shipping & Returns. (CTA: Complete Order)
Google Search	High-converting Search Ads targeting terms like "best durable carry on suitcase".	H1: Away® Official Site Premium Luggage H2: Built-In Compression & Smooth Wheels Desc: Engineered for seamless travel. Ultra-durable hardshell backed by a lifetime warranty.

Lifecycle Email Welcome Automation

- **Email 1 (Immediate):** Subject: *Welcome to Away. Here’s your exclusive pass.* Focus: Brand manifesto, crisp lifestyle imagery, and clear CTA to claim welcome perk.
- **Email 2 (Day 2):** Subject: *Fit 7 days of outfits into one carry-on.* Focus: GIF breakdown of internal compression panel + customer review spotlight.
- **Email 3 (Day 4):** Subject: *Take it on the road for 100 days—risk-free.* Focus: Highlight trust badges: 100-Day Trial, Free Shipping, and Lifetime Warranty.

Measurement Framework & Analytics

Funnel Stage	Key Metric (KPI)	Target Benchmark	Optimization Action
Top of Funnel	Video Completion Rate (VCR) & CPM	> 25% VCR / < \$15 CPM	Retarget users watching >50% video with feature-focused ads.
Middle of Funnel	Click-Through Rate (CTR) & CPC	> 1.8% CTR / < \$2.50 CPC	A/B test hook variations and luggage colorway creative assets.
Bottom of Funnel	Conversion Rate (CVR) & ROAS	> 2.5% CVR / > 3.0x ROAS	Serve cart abandoners risk-reversal ads (100-day trial guarantee).
Retention (Email)	Email Open Rate & CTOR	> 38% Open / > 12% CTOR	A/B test curiosity vs. benefit-driven subject lines.

Simulated Campaign Results: In a 30-day simulated launch across Meta, Google Search, and Email Automation, "The Unpacked Journey" campaign delivered a projected 3.2x ROAS and

reduced cart abandonment by 18% through targeted lifecycle workflows.

Project 2: GA4 & Looker Studio Analytics Dashboard Blueprint

Overview: A structured framework and metric specification sheet for a custom Google Looker Studio performance dashboard, turning raw multi-channel campaign data into executive-level insights.

Strategic Goal: Enable real-time tracking of acquisition channels, conversion rates, and ROAS across organic and paid touchpoints.

Dashboard Layout & KPI Architecture

- **Top Metric Ribbon (Scorecards):** Total Revenue / ROAS (\$ / x.x), Blended Conversion Rate (%), Cost Per Acquisition (\$ CPA), Total Organic vs. Paid Sessions.
- **Core Visualizations (Charts & Tables):** Daily Conversions by Source/Medium (Stacked Bar Chart), Funnel Drop-Off Rate: Cart to Checkout (Funnel Chart), Top Landing Pages by Engagement Rate (Data Table).

A/B Testing & Insights Experiment Framework

Experiment Element	Hypothesis	Primary Metric	Optimization Target
Landing Page CTA Button	Changing CTA from "Learn More" to "Claim 100-Day Risk-Free Trial" will increase checkout starts.	Click-Through Rate (CTR)	Target: +15% Lift in Checkout Transitions
Email Welcome Drip	Adding a product compression GIF in Email 2 will increase click-to-open rates.	Click-to-Open Rate (CTOR)	Target: +12% CTOR Increase
